Green Rotary Laser Level, Self-Leveling Kit

The Klein Tools Green Rotary Laser Level is the package for all leveling projects with a bright green laser that has a range of up to 1150 feet when used with the detector. The green vertical plumb spot is excellent for locating on ceilings, and the rechargeable battery provides over 24 hours of runtime. The product is IP66 rated and operates in all jobsite conditions. Mount both horizontally and vertically to project either a level or plumb line with the included 5/8-Inch survey tripod mounts.

Klein-Kurve® Blackout Wire Stripper / Cutter

The Klein-Kurve Limited-Edition Blackout Wire Stripper / Cutter combines precision and versatility with six stripping holes for 8-18 AWG Solid and 10-20 AWG Stranded wire, dual looping holes for easy connections, and screw shearing for 6-32 and 8-32 bolts. Longer blackout handles and a narrow head design provide comfort and allow access to tight spaces, while a coil spring and convenient lock ensure smooth operation and easy storage.

\$39.99

ProFlex Impact Screwdriver Bit Set, 44-Piece

Klein Tools designed an Adjustable Screwdriver and Bit Set for the professional tradesman and DIY enthusiasts. The bits are made of high impact rated S2 steel with an optimized torsion zone to enhance durability by absorbing impact forces. All 44 pieces fit in an impact-resistant case featuring steel hinges and a stay-shut latch. Case has modular stack-ability with other cases of similar design and is MODbox™ compatible.
